### II. Purchasing Instructions

#### A. Award Description

Awarded vendors have been pre-qualified to participate in spot market purchases.

#### B. Quotation Directives

##### 1) Contract Instructions (Re: ITB Paragraph 2.6)

When spot market purchases are initiated, the pre-qualified bidders shall be invited to offer a fixed price for a specific individual purchase, or a specific purchasing period. The bidder offering the lowest fixed price shall be awarded for the specific period or

BID NO. 6417-0/17 Emergency Debris Removal, Prequalification of Contractors

specific purchase. The award to one or more bidders for a specific period to load, haul and dispose of debris does not preclude the remaining pre-qualified vendors from submitting spot market offers for other specific purchases.

2) Cone of Silence

Pursuant to Section 2-11.1(t) of the County Code, all ITQ's are subject to the Cone of Silence.

3) Preferences (Re: ITB Paragraphs 1.10 and 2.2)

**The Bid Preference** shall be applied first to the offers received from certified Micro/SBE vendors. A Micro/SBE vendor must be certified by the Sustainability, Planning and Economic Enhancement Department for the type of goods and/or services the vendor provides in accordance with the following Commodity code(s) (200, 200-57, and 805). The following link may be accessed to verify if a firm is a Micro/SBE vendor [http://www.miamidade.gov/sba/library/certify\\_all\\_by\\_firms.pdf](http://www.miamidade.gov/sba/library/certify_all_by_firms.pdf)

For contracts valued over \$1 million, an SBE Preference of 5% is applied to a SBEs offer (for the purpose of evaluation ONLY). For contracts valued up to \$1 million, an SBE Preference of 10% is applied (for the purpose of evaluation ONLY). If the SBE is the responsible, responsive low bidder following the evaluation process, the price that the county will pay the awarded firm is the original price offered (excluding the 5% or 10% evaluation factors).

**Local preference** should be applied in accordance with Section 2-8.5 of the Miami Dade County Code <http://library.municode.com/index.aspx?clientId=10620&stateId=9&stateName=Florida> at the time user departments request quotations from the pre-qualified vendors. When a responsive bid from a Miami-Dade local business is within 10% of the lowest price submitted by a responsive non-local business, the local business and the non-local low vendor shall have the opportunity to submit a **best and final (BAFO)** bid equal to or lower than the amount of the low bid previously submitted by the non-local business.

**Local Certified Service-Disabled Veteran Business Enterprise (VBE)** preference should be applied in accordance with Section 2-8.5.1 of the Miami Dade County Code at the time user departments request quotations from the pre-qualified vendors. A (VBE) that submits a bid for a contract shall receive a bid preference of 5% of the price bid. A VBE is a firm that is a) a local business pursuant to Section 2-8.5 of the Code of Miami-Dade County and b) prior to proposal submittal is certified by the State of Florida Department of Management Services as a service-disabled veteran business enterprise pursuant to Section 295.187 of the Florida Statutes. This preference will only be used for evaluating and awarding the bids and shall not affect the contract price. In procurements where Small Business Enterprises (SBE) measures are being applied, a VBE who is also an SBE shall not receive the veteran's preference provided in this section and shall be limited to any applicable SBE preferences. At the time of bid or proposal submission, the bidder must affirm in writing its compliance with the certification requirements of Section 295.187 of the Florida Statutes and submit this affirmation and a copy of the actual certification along with the bid or proposal submission.
